

This is a fabulous walk that enjoys many of the beauty spots on the River Chess. It passes 6 very good pubs - so the walk may take considerably longer. Some tricky parts to navigate, but you are unlikely to get lost.

1) Exit station on N side (London bound), take footpath up through flats onto open common with golf course.

Cross main road the take track down to river Chess and walk upstream.

2) Popular parking spot low in valley. Steep hill up to Church End.

(3) Pass the Cricketers Pub on your left, then a narrow path. Views at Dellfield Farm are particularly nice.

(4) Chipperfield has the Two Brewers pub opposite the cricket pitch, easy to follow roads to The Plough.

(5) Footpath/track junction - make sure to head south.

This then descends to river Chess with watercress farm and ice cream sales at Mount Wood. Lovely lowland path with walkboards.

(6) Ascent to Chenies Manor, then popular footpaths leading to houses of Little Chalfont.
